## PREPARE TO FIND AN EXCEPTIONAL DENTAL ASSOCIATESHIP!

Our top 10 recommendations for a successful search:

1. **Determine your goals, objectives, and priorities**  
(e.g., What are your financial needs? Do you want a practice ownership opportunity?)
2. **Start early** (i.e., Start 6 months to 1 year prior to availability.)
3. **Prepare a professional curriculum vitae and cover letter** (Check spelling and grammar)
4. **Reach out to potential references** (i.e., Ask their permission, confirm contact information)
5. **Before an interview, research the practice and owners/principals** (e.g., Social media, website)
6. **Prepare questions for the interview** (i.e., You are interviewing them too, you want to show interest)
7. **Make sure the practice is ready for an associate**  
(e.g., Do they have the space, equipment, support staff, and a sufficient number of patients?)
8. **Ask for next steps and timing at the end of the interview**
9. **Send a "Thank You" after the interview!** (Mailing a personal note is best.)
10. **Align your resources. Be ready for an opportunity.**  
(i.e., Find an attorney for employment agreement review)
